CNSE TECHNOLOGY MANAGEMENT

REQUEST TO REVIEW INVENTION FOR POSSIBLE APPLICATION FILING

PRIOR TO DISCLOSURE OF CONFIDENTIAL INFORMATION

This form is to be used in connection with review of an invention for which consideration of patent filing has been requested, particularly when confidential information in a technology disclosure may be disclosed in connection with planned discussions, presentations or publications or contact with potential licensing entities. This form is also to be used whether or not disclosure has already been made or has not been made and is not planned. Please refer to the Preliminary Prior Art Search Guidance document available under the CNSE Technology Management linked from http://cnse.albany.edu/Files/Preliminary_Prior_Art_Search_Guidance.pdf in preparation for a review meeting.

1. Name and emails of Inventors:

2. Date of Technology Disclosure:

3. Title of Invention and CNSE RN#:

4. Date (indicate actual or estimated) of disclosure of confidential information from Technology Disclosure:

5. Describe receiving party (group/organization or publication journal):

6. Describe the anticipated disclosure beginning with title (if applicable):

7. Is there a possibility of disclosure of confidential information? Select

8. Has the technology previously been assessed for patent protection? Select

9. Please refer to the Preliminary Prior Art Search Guidance document available under the CNSE Technology Management linked from http://cnse.albany.edu/Files/Preliminary_Prior_Art_Search_Guidance.pdf in preparation for a review meeting.

10. Please list three potential licensee prospects, name address and phone/e-mail and for each provide a brief summary of any contact/interest in your technology.

a. Contact #1

Name

Address
